JASMINICA

Non-bleached, refined White Sugar

EU Class 1, From
Sugar beets

White refined sugar

Award-winning EU Grade 1 white refined sugar, produced from premium EU Class 1 sugar beets. These sugar beets meet strict EU agricultural standards and boast a high sucrose content, ensuring exceptional quality and performance.

Jasminica sugar is naturally white, water refined, and non-bleached for purity.

Its fine crystals dissolve quickly, making it ideal for baking and sweetening. More intense than cane sugar, it requires less for the same sweetness. Sourced from sugar beets, it has a lower environmental impact and provides rich minerals.

Characteristics:

- High sucrose content
- Water refined, not bleached
- Quick dissolving
- Rich in natural minerals

Sugar Content: Minimum 14% sucrose

- **Appearance:** White, crystalline, and free-flowing
 - **Origin:** Southeast Europe
